1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. This application is in condition for allowance except for the presence of claims 15-29 and 53 directed to the invention non-elected without traverse. Accordingly, claims 15-29 and 53 been cancelled.

The application has been amended as follows:

**Cancelled claims 15-29 and 53.**

**Replaced paragraph [01] with the following:**

[01] This is a continuation application of United States Patent Serial No. 09/896,848 filed June 29, 2001, which claims priority of U.S. Provisional Application Ser. No. 60/214,937, filed June 29, 2000. Reference is made to co-pending U.S. Patent Application Ser. No. 09/897,789 filed June 29, 2001, entitled "Methods and Systems for Coordinating the Termination of Sessions On One or More Systems," the disclosure of which is incorporated herein by this reference.

3. The following is an examiner's statement of reasons for allowance: the prior art of record failed to teach receiving a notification that a session for a user on at least one external system has been terminated and when the user has the active session, searching the integration module for access information associated with the at least one external system; and upon locating the access information associated with the user and the at least one external system, delivering the access information to the at least one external system to re-establish the session on the at least one external system and maintain access to the at least one external system.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Larry D. Donaghue whose telephone number is 571-272-3962. The examiner can normally be reached on M-F 8:00-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Follansbee can be reached on 571-272-3964. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
